Below this, a note states: "If entering a free text search, please press the 'Enter' button after the value is entered before inputting your next value selecting the 'Search' button below. A success message will appear on the right-hand side of the field, indicating the value is locked." The main search area is titled "Free Text Search By:" and includes a dropdown menu for "SC Number" (which is currently selected) and input fields for "Certified Organization TE ID", "License Number", "Certified Organization Name", and "Facility Name". Below these is a "Search" input field with a magnifying glass icon. Underneath the search fields is a section titled "Additional Parameters:" containing nine dropdown menus arranged in a 3x3 grid. The first column contains "Standard", "Certification Body", and "Raw Material". The second column contains "Process Category", "Product Category", and "Product Detail". The third column contains "Certified Organization State/Province", "Certified Organization Country/Area", and "SC Status". All dropdown menus are currently set to "All". At the bottom of the form is a large yellow "Search" button.
